Sign up - Create an account

Self-invitation is not possible in public TDS.

When it's requested, it's possible to configure TDS portal to support self-invitation:

tieto DevOps Space

Self-invitations are not available.

Please contact support if you need to create a new account

If you need support, please contact us using the [Help Center](#) where you need to create an independent account first.

tieto DevOps Space

Request invitation

Enter your email address to create a new account

When you receive the registration email, click the link inside to create a new account.

Email *

Send

After entering the proper e-mail address, an invitation is sent to a new user. A new user is added after email confirmation to TDS portal only (not to Company/Project).

Once User receives to his email an invitation he can perform sign up and create his account.

New user enters

- Username (at least 4 alphanumeric characters including signs :-, _)
- First Name
- Last Name
- Password (at least 8 characters with at least 1 capital letter and 1 number)

User agreed that he reads TDS Privacy Statement clicking button **Sign me up**.

The screenshot shows the 'Create an account' page of the tieto DevOps Space. The page has a blue header with the logo. Below the header, the title 'Create an account' is centered. Underneath, there is a link for 'Log in' for existing users. The form consists of several input fields: a 'Company' field, a 'Username *' field, an 'Email address *' field, 'First name *' and 'Last name *' fields, and 'Password *' and 'Confirm password *' fields. Each field has a question mark icon for help. Below the form, there is a line of text: 'By clicking Sign me up, you agree to our [Privacy statement](#) including our Cookie Use.' At the bottom of the form area is a 'Sign me up' button.

Now he will be able to log in to TDS portal.

The screenshot shows the confirmation page after account creation. The page has a blue header with the logo. The main heading is 'Your account was created'. Below this, it says 'You will be redirected'. There is a blue button labeled 'Login to portal'. At the bottom, there is a line of text: 'If you need support, please contact us using the [Help Center](#) where you need to create an independent account first.'
