Have any questions or problems?

Feel free to contact us. We'd love to hear from you!

TDS Help Center*

or mail us at tds@tietoevry.com**

Support team hours :

Incidents and Service requests: 8-16 CET/5

Service availability : 24/7 (customers with prepaid on-call)

*Anyone who contacts TDS support for the very first time will also get an account created automatically in TDS Help Center:

Later you can reset his credentials and log in to the support portal. Support portal gives you the possibility to see an overview of your previously and currently open tickets. You can also report new tickets using that portal.

**Emails are automatically processed as issues/tickets or comments/replies to your existing issues.
